What do we do?

We are the "Call before you dig!" company for all of Pennsylvania. If you plan to disturb the earth with powered equipment, you are required by Pennsylvania law to notify the underground utility companies of your intent to do so. Notification occurs by calling 8-1-1 or 1-800-242-1776, 24 hours of the day, every day of the year. Notification can also be done on our website at www.paonecall.org.

We will then notify the utility companies nearby of your intent to dig. The utility companies are responsible to mark where their underground lines are located with colored flags, paint or chalk.

Please Note:

- PA One Call does not mark utility lines.
 - In some cases, the utility company may not mark the service lines you own.
 - If you need your sewer drain cleared be sure to check www.paonecall.org/responsible
 - Call 8-1-1 before you dig!
- Information provided by PA One Call

Why should you call?

Safe digging is no accident! If you are installing a fence or deck, or digging for a mailbox post, patio or other excavation project, it is important to Know What's Below. Dial 8-1-1 or 1-800-242-1776 before you dig. The utility companies do not want an accident, either. The best way to learn where underground utility lines are located is to call before you dig.

For more information, visit www.pa811.org

Homeowner Quick Tips

- One easy phone call to 8-1-1 three to ten business days before digging begins helps keep your neighborhood safe.
- Call on Monday or Tuesday if you plan to dig on Saturday or Sunday.
- The utility companies will mark where their underground lines are located with colored paint, flags or chalk.
- Do not remove the flags if you see them in your yard.
- Our service is no cost to homeowners.
- Did you hire someone to install your fence, deck or new patio? Ask to see the PA One Call serial number before allowing them to dig on your property.

The Excavator's Responsibility

- Dial 8-1-1 or 1-800-242-1776.
- Do not allow anyone to excavate on your property without calling.
- Always look for the markings on the ground before your dig date.
- If you do not see markings, do not allow anyone to dig. Wait for the lines to be marked by the utility.
- Whoever places the call will receive an email or fax with a list of facility owners who have marked or have not marked. Pay attention to this message.
- Respect the markings by not removing flags or disturbing the actual markings.
- Exercise care around the marked lines by hand digging.
- When the project is complete, the excavator should remove the flags or marks from the ground or pavement.
- Report mishaps by dialing 8-1-1.

1. Any subcontractors used on this project will be required to carry their own workers' compensation coverage.
2. The applicant is not permitted to employ any individual to perform work on this project pursuant to the permit in violation of the Act.
3. Violation of the Workers' Compensation Act or the terms of this permit will subject the applicant to a stop-work order and other fines and penalties provided by law.

IX. NOTICES FOR APPLICANT:

READ, UNDERSTAND AND COMPLY WITH THE FOLLOWING NOTICES

NOTICE: In addition to a construction/zoning permit, if the subject property does or will require access to a public road or street, and/or will require improvement/change of curb to have access to a public road or street: If such State road or street is under the jurisdiction of the Commonwealth of Pennsylvania, you must obtain a Highway Occupancy Permit pursuant to Act No. 428 of 1945, as amended, known as the "State Highway Law"; Application for such Highway Occupancy Permit as to a Commonwealth road or street must be made to, with and processed by the Pennsylvania Department of Transportation. If such road or street is under the jurisdiction of City of Beaver Falls, you must apply for and obtain a Curb Cut application from the City.

NOTICE: In addition to a zoning permit, you may need to make other applications and obtain other permits for the development you propose, including but not limited to, depending on location of your premises, for sewage tap-in permit for connection to a public sewer, water connection permit (to be obtained from the Beaver Falls Municipal Water Authority, and/or Land Development approval, prior to being able to commence construction. Furthermore, following construction and prior to your placing into use the proposed structure/building, you will need to procure an UCC building permit from the City's Third Party Agency. Also, if building onto several parcels the property will need to be consolidated before construction starts.

NOTICE: Contractor prohibited by law from employing any individual to perform work pursuant to this zoning permit unless contractor provides proof of worker's compensation to the City of Beaver Falls. Contractor also prohibited by law as to building or remodeling under subject Permit from engaging the services of a subcontractor unless subcontractor maintains workers' compensation insurance coverage as to subcontractor's employees. Failure of Contractor and Applicant for this Permit to maintain worker's compensation insurance according to law of Commonwealth of Pennsylvania requires stoppage of all construction/work under Building Permit issued and a Building Permit may be revoked.

NOTICE: Property Owner or Project Owner or Applicant is responsible to contact Pennsylvania One Call (Dial #811) to locate and mark underground utility lines on the property before any digging or excavating is started under Act 287.

NOTICE: Property owner is responsible for determining if property is subject to private covenants or private plan restrictions and compliance with the restrictions. Private covenants may be more restrictive than zoning regulations. Issuance of a building or zoning permit does not constitute compliance with private covenants or restrictions. Permits issued in violation of any private covenants or a restriction is the sole responsibility of the property owner or their authorized representative.

X. VERIFICATION:

I do hereby agree to observe and adhere to any and all provisions of the City of Beaver Falls Zoning Code, and do further agree and understand that my failure to do so shall constitute a violation as to any Permit issued per this Application, which violation shall cause any Permit to become Null and Void, and revocable by the City of Beaver Falls via its Zoning Officer or other designated agent.

I/We hereby certify that as applicants, owners, contractors, agents or others that I/we completed and read the foregoing Application and that the information and statements in this application and other representations contained in all accompanying plans are made a part of this application and are true and correct to the best of our knowledge and belief. This statement and verification are made subject to the penalties of 18 P.A.C.S.A. Section 4904 relating to unsworn falsifications to authorities, which provides that if I/we knowingly make false statements or averments, I/we may be subject to criminal penalties. I/We hereby authorize representatives of the City to make the required inspections upon the property to verify that the construction requested under this application complies with the City of Beaver Falls Zoning and Building Code Ordinances or other applicable codes.

If applicant is Contractor or Agent of Owner, he/she hereby certifies that he/she has the authority to act on behalf of the Owner.

I certify that the code administrator of the code administration's authorized representative shall have the authority to enter areas covered by such permit at any reasonable hour to enforce the provisions of the code(s) applicable to such permit.
